GOODS AND SERVICES

GOODS : Something people want that you can hold or touch.

SERVICES: Something people do for other people.

DIRECTIONS: DRAW or WRITE down GOODS in the left column
and SERVICES in the right column.

--	--

Good Or Service?

#1

A service is something someone does for you.
Goods are things that you buy.
Write "s" if a person provides a service.
Write "g" if a person sells goods.
