

Maisy

Hi, My name is
Maisy and I live
in Texas.

Today, my mother is taking me to the park. I love going to the park and playing on the swings.

My mother
taught me how
to swing high on
my own.

Sometimes I
take my little
brother Jacob
on the slide. He
sits in my lap
and we slide
down together.

I think the best thing about going to the park is meeting lots of new friends.
